Centre for Environmental Protection

## Climate-KIC Vision and Mission

---

- **Vision:** To enable Europe to lead the global transformation towards sustainability
- **Mission:** To bring together, inspire and empower a dynamic community to build a zero carbon economy and climate resilient society
- Integrated community with 190 partners throughout Europe

Centre for Environmental Protection

## Climate-KIC Themes

---

- **Urban Transitions:** Development of integrated systemic solutions to build carbon-negative, responsive, resilient cities of the future
- **Sustainable Production Systems:** Development of low-carbon value chains, based on circular economy and bio-economy as future foundation of Europe's industry
- **Decision Metrics & Finance:** Support decision-makers, investors and high-carbon consumers to commit to climate action, unlock finance and drive a climate relevant economy
- **Sustainable Land Use:** Strengthen land use climate mitigation and adaptation functions through innovative tools and systems

Centre for Environmental Protection

- EIT Regional Innovation Scheme (RIS)
- Portugal, Malta, Cyprus, Romania, Bulgaria, Estonia, Latvia, Slovenia and Serbia
