- Environment Agency
- Institute for Statistics, Institute for Nature Protection, Institute for Public Health, Hydrometeorological Institute, etc.
- Regional and Local Institutes and bodies, also those involved with Covenant of Mayors
- Chamber of Economy, Industry and public companies (waters, forestry, etc.)
- Standing Conference of cities and towns
- NGOs

CAPACITY BUILDING PLAN –FORMAT

- The module trainings will be organised as a two-step workshops
- The first step will focus on the policy background of each module including reporting requirements, overview of features of the module in the IT tool, inputs and outputs and links with other modules.
- Additionally, the experts will also talk about the Austrian experience with the MRV system as the EU Member State
- The second step will be focused on the stakeholders who will be responsible for data input (internal users), who need to have a detailed knowledge of the system and who will be working with the MRV system on a regular basis, including the use of templates
